

ELEMENTS / FIELD

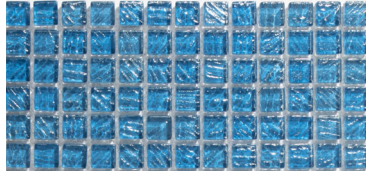

maisonsurface.com

Feel the storm roll in . The lightning brightens the sky. The ocean stirs. The Elements glass collection evokes the power and majesty of nature. Pulling its rich color from the seas, sky and earth. With this collection you are not limited to just color selection. Elements is available in 4 rich earthen textures and two finishes; matte and gloss. You can apply both a texture and a finish to any color. Formats also abound from mosaics to subway tile. Contact us for special order pricing.
