RUEBX

A recycled rectified glass tile collection evoking the world's most famous streets.

Pattern Count: 12
Material: Recycled Glass
Shapes: S2, S3, S4, S6 & S7

Inspired by famed streets in the world's great cities. Each pattern meanders down the roads and byways—in the footsteps of so many before, but revealing unique details and vantage points that make this trip distinctly your own style. As a result, RueBX is about striking out and forging your own path, following lines on a map that guide you to new destinations.

RueBX designs are crafted to offer form and function in one place. The collection includes 12 patterns in Recycled Glass in timeless color combinations of whites & greys. Manufactured as rectified squares, RueBX is also an excellent slip-resistant choice when used as a flooring tile, as appropriate for any journey!

ABBEY

TAKING SHAPE ↑
