# UNION STATION SIGNATURE

All aboard!

The Union Station Signature collection evokes the romance of the Golden Age of train travel.

Pattern Count: 35  
Material: Natural Stone

Punching your ticket to charming elegance with lines and patterns inspired by the chiming of clocks, the clacking of tracks, and faraway whistles. Just like historic Union Station in Washington, DC, this quintessential pennyrounds collection is a practical tile that can stand up to heavy traffic. 18 patterns in two colorways can feature Blanc, Noir and Cailou accents. For an unexpected creative twist, the Exchange inverts the color placement, while leathered marble can be incorporated in a subtle nod to the passage of time.
