UNIEK

Distinctive Design

Pattern Count: 13
Material: Tunis Stone

Uniek is about being the only one of its kind, or having no equal. The worn textures and natural hues of our new Tunis stone make the Uniek collection suitable for pairing with eclectic materials and décor to create a stunning home space. Designed by Tineke Triggs, Uniek's 13 unconventional, one-of-a-kind patterns range from serene and understated to bold and playful, and always unequalled in their ability to express your vision. While just ¼" thick, Tunis stone is incredibly durable—offering a new dimension in both design and application.

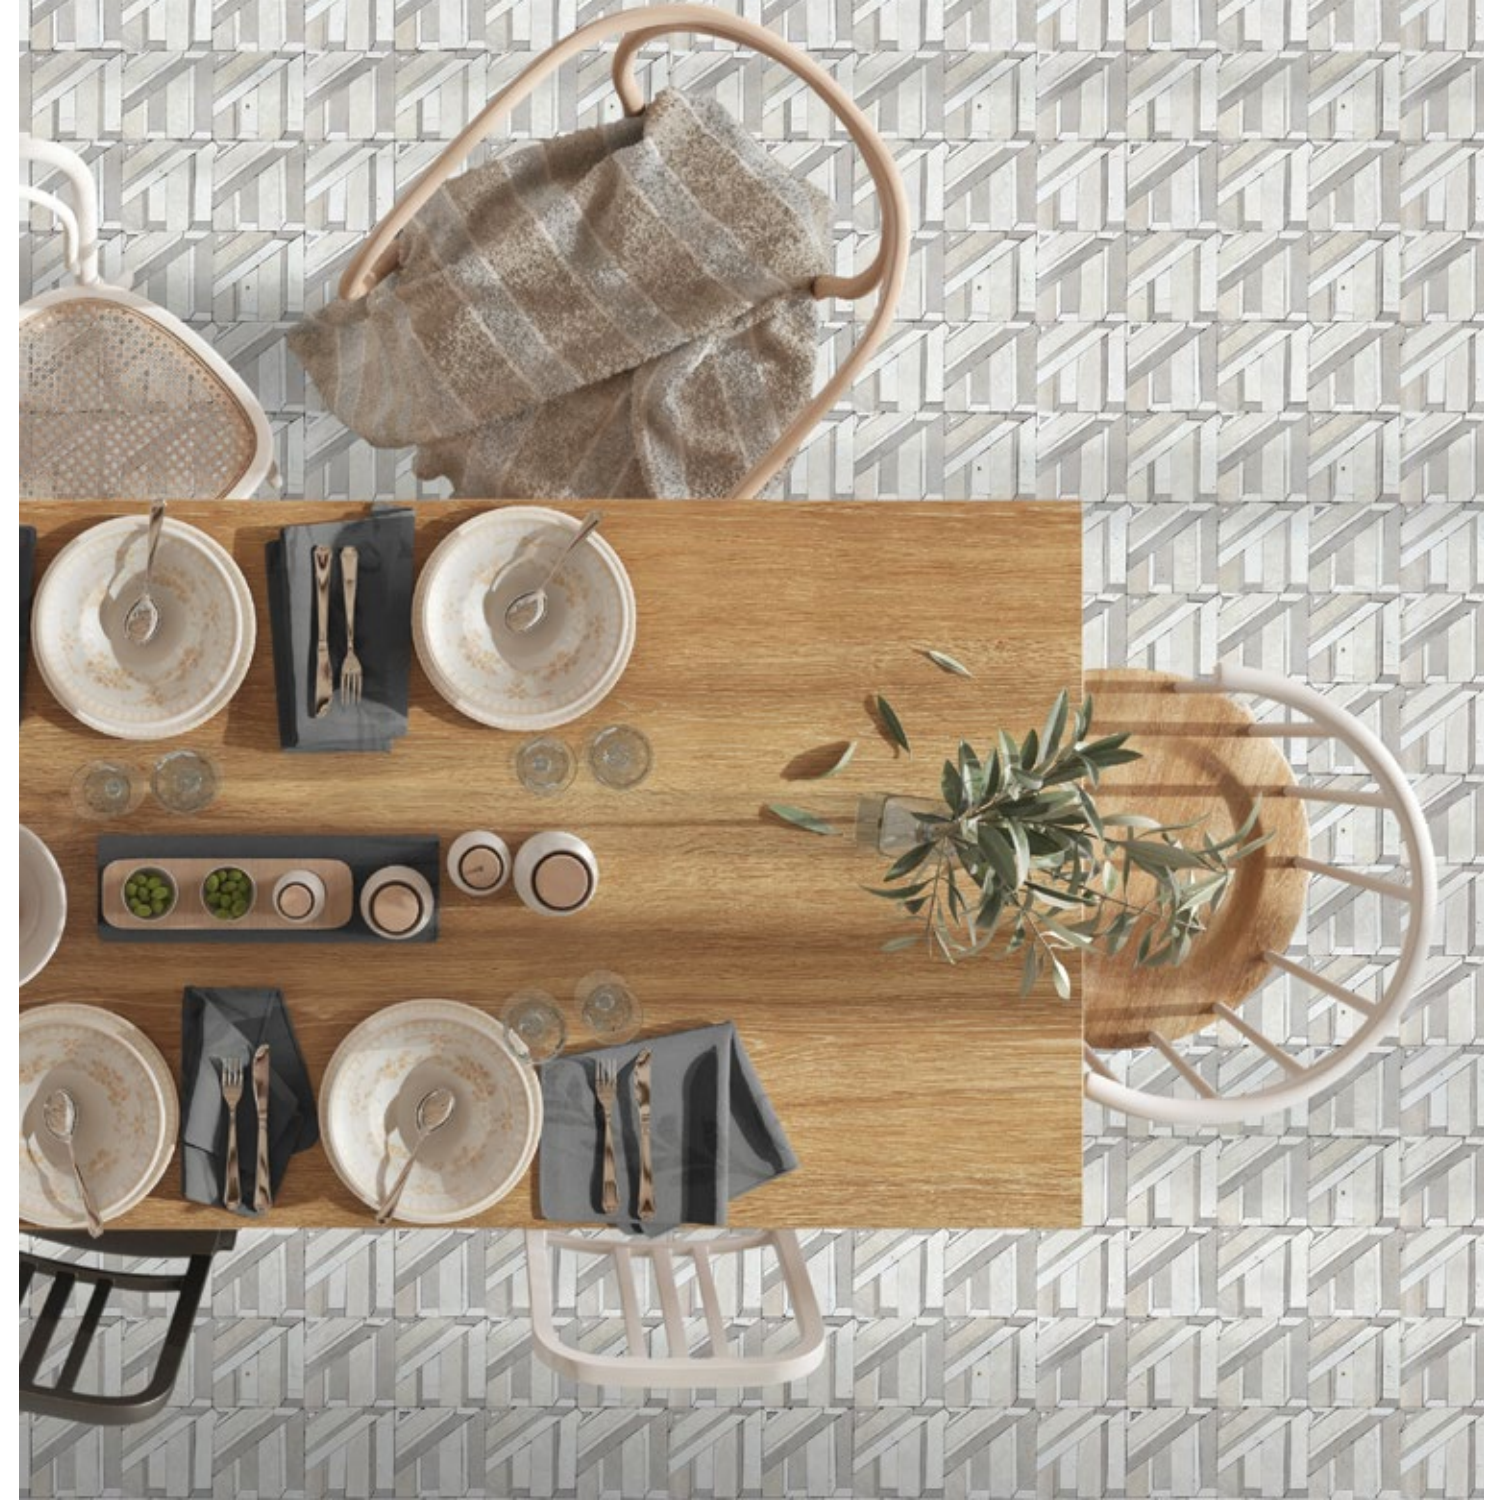

AVERY

FRESH FEEL ↑
A novel collection in every way. The freshest patterns in our newest stone.

TEAK CHIC →

When finding a wood to pair with our timeless Tunis Stone we suggest you take a look at Teak. A wood for all weather. As durable as our stone and just the right hue to add to your natural palette.

WANDERLUST

Let your mind take a trip into the unknown with Tama.

SPARK OF SPARTAN →

Even the most austere of rooms can use a little bearing from design. That is why Taylor was selected to balance out the composition. A pattern of waves accented with bold pops of auberge. Pointing the eye in the right direction.

TAYLOR

Unit: 12 1/4" x 11 13/16"
Unit Yield: 1.00 sqft

INGENIOUS SHADES

The Tunis Stone used in Taylor provides a clever statement on tone.

HUMBLE HUES →

Some statements are made with a whisper. Understated and oh so chic, Willow can say a lot without saying a word. This is a pattern best pointed to fresh rooms with somber forms and textures.

WILLOW

Unit: 10" x 10"
Unit Yield: 0.69 sqft
Cut: hand cut
Thickness: 1/4"

Color:
Pedra
Durum

TURNING HEADS
The flip repeat of Willow will keep the eye guessing.

TUNIS STONE PALETTE

Hand hewn by
skilled craftsman

Maison's Tunis Stone are rocks mined from the beautiful Tunisian mountains. Hand hewn by skilled craftsman. No power machines are used in the production of any of the mosaics. Each piece is uniquely sized to scale to the pattern. No two pieces are alike making the grout joints slightly varied with an acceptable tolerance. Each surface will appear slightly undulated with a multitude of textures & tones.
