# ROCK SOLID

Textural, durable design

Formats: 1"x 2" & 3/4"

Colors: 16

Pattern Count: 32

Material: full body glass

---

From the lush Hawaiian coastline to the deserts of California to the endless spans of sea and sand on the East Coast, The Rock Solid collection of full body glass tiles invites you to an adventure that can be enjoyed every day. With durable textural design, these glass tiles have been crafted to be equally suited to swimming pools, spas, and water features, as well as luxury interior and exterior environments.

FOR EVERYWHERE ↑  
*Rock Solid is just as at home in the kitchen as it is in pools, spas or baths.*

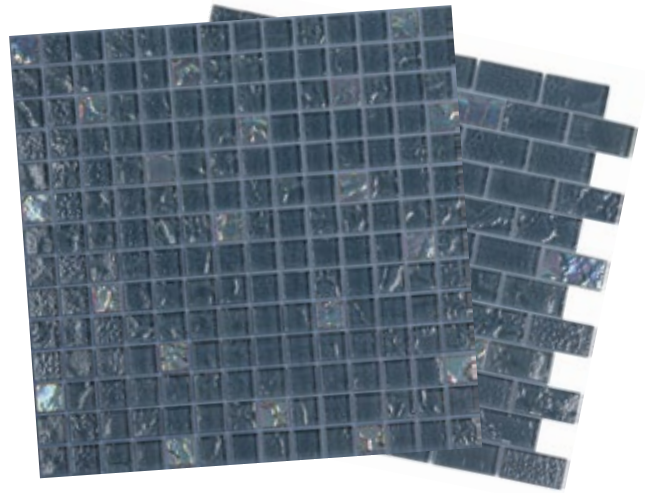

# GROUT METICULOUSLY DEVELOPED TO MATCH EACH COLOR

Colors: 16

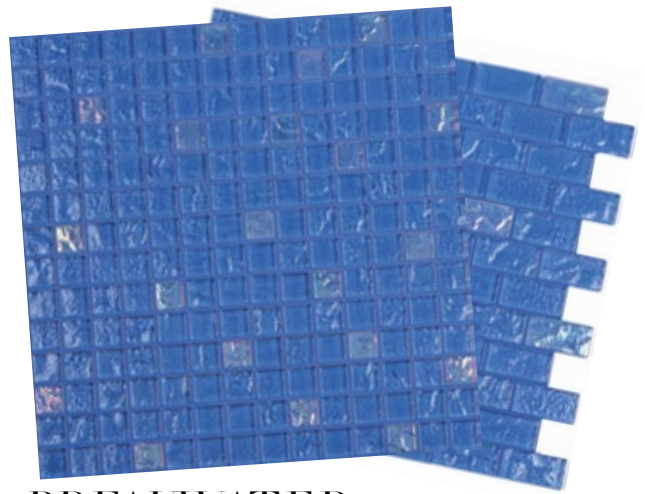

Material: epoxy resin grout

---

The Rock Solid collection is complemented by a tile-industry first: a specially curated collection of glass grout colors developed under the direction of Maison's experts. Composed of glass bead micro-spheres bound by ZHERORisk® Epoxy Resin, these grouts use high-end colorants commonly used in space and automotive applications—providing a slight metallic effect that blends seamlessly with the iridescent properties in some of the glass chips. Not only are they chemical and UV resistant for high-stress applications, they're additive-free and environmentally friendly too.

Grout color: Seafoam

### ↖ MESMERIZING SHINE

*Adding Seafoam to a vertical surface adjacent to your pool will make sure to maximize the reflective qualities of both the water & the glass.*

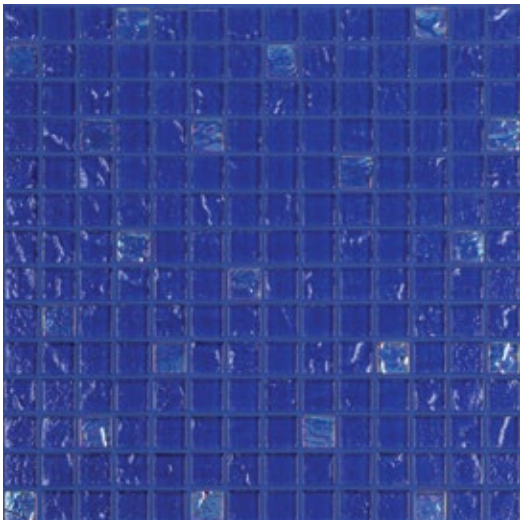

CURRENT AFFAIR →

*White. A color that's as on trend today as it was generations ago. With our Seafoam you get the extra bonus of knowing that this glass tile has the durability & style to stand the test of time.*

## SECOS

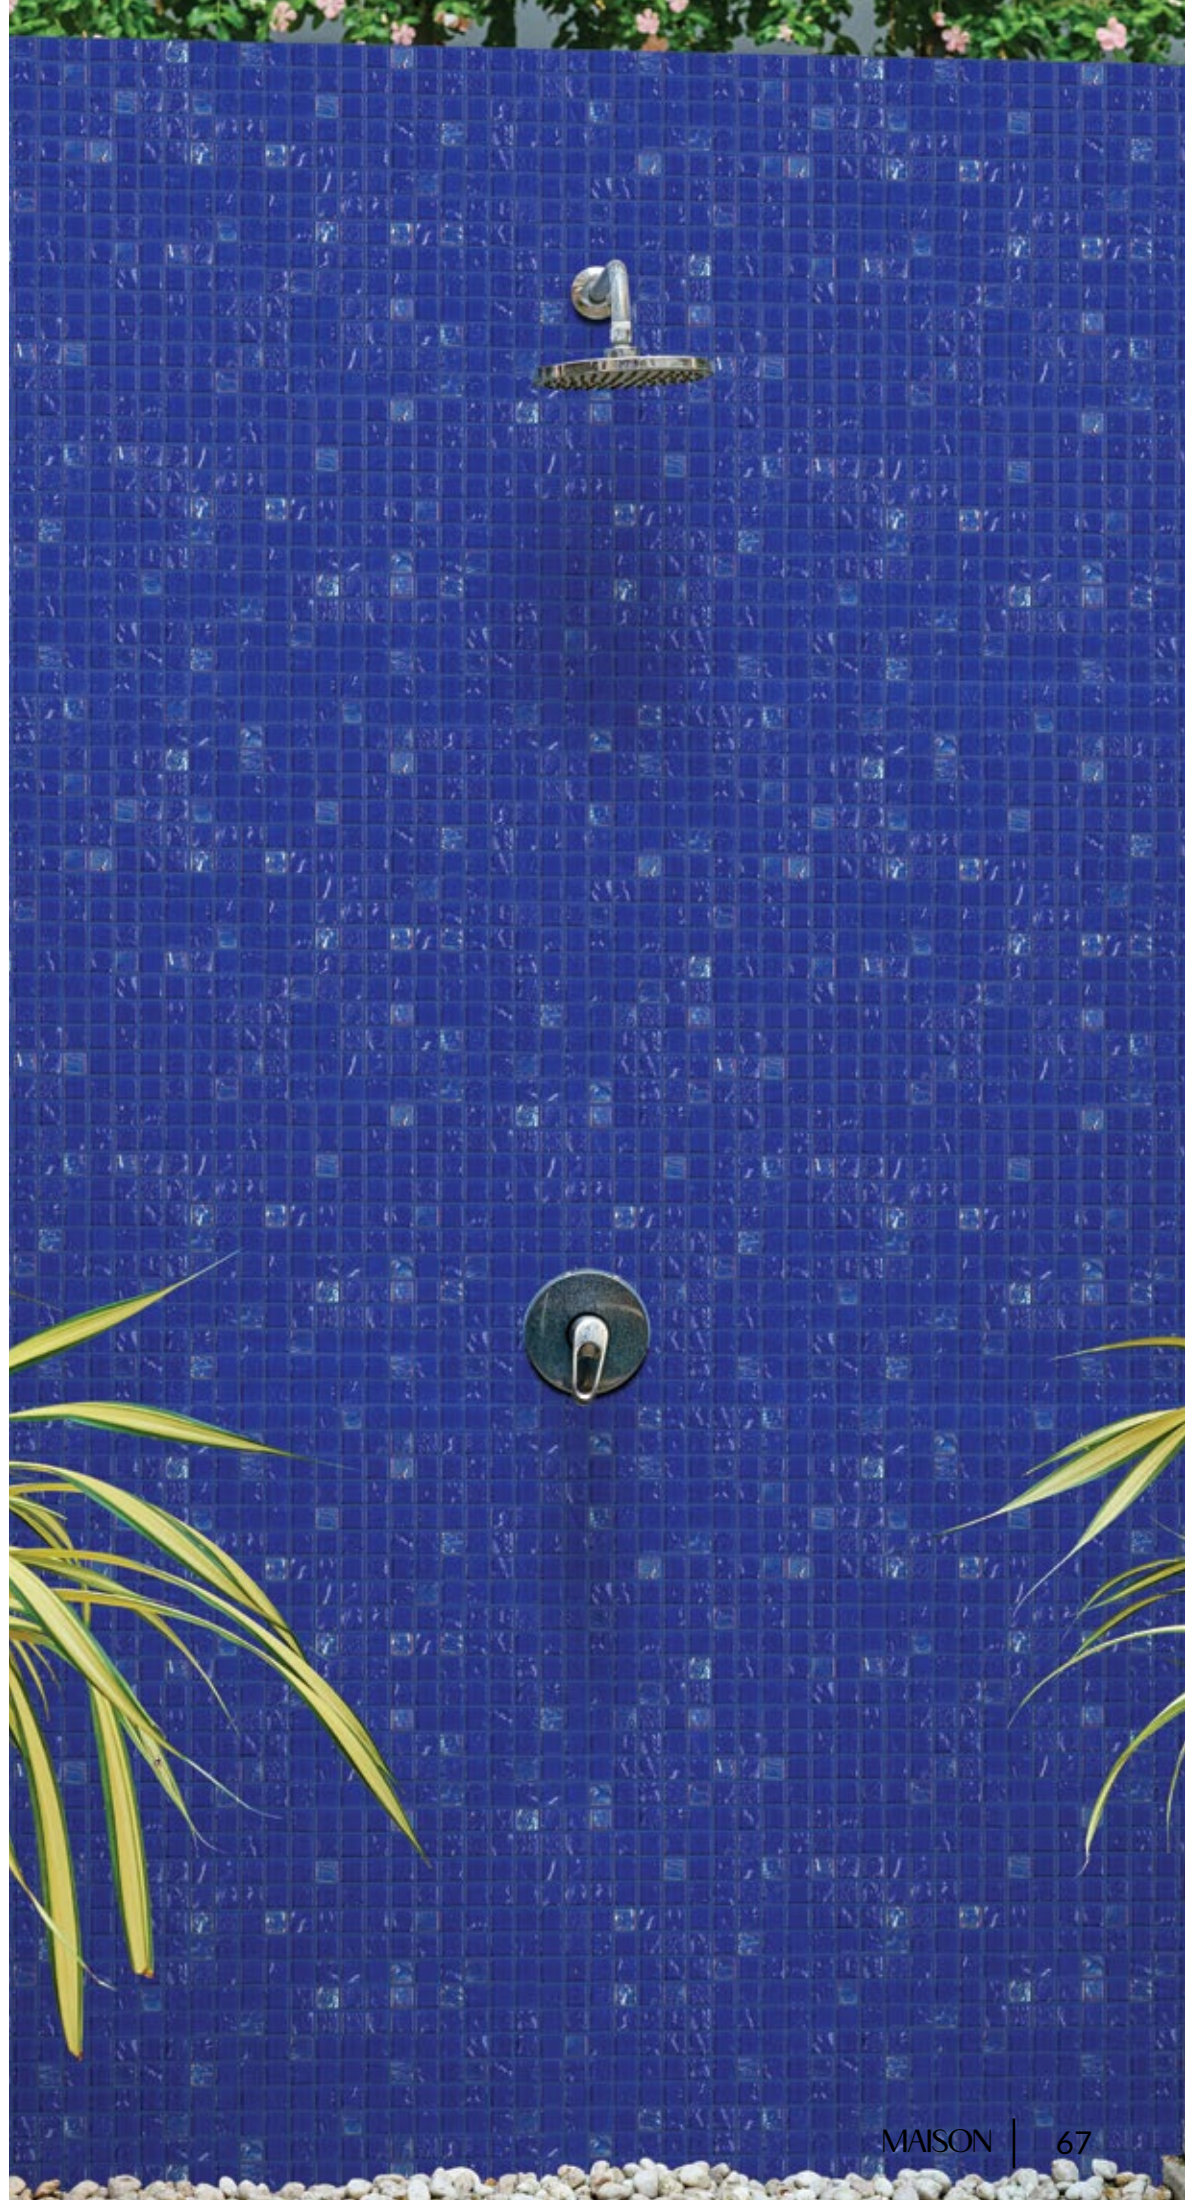

Unit: 12 3/4" x 12 3/4"  
Unit Yield: 1.15 sqft  
Piece size: 3/4"  
Grout color: Secos

### STEP RIGHT IN

*Secos embodies pool style & leisure, but don't let its beauty fool you. This glass tile is extremely durable, and when installed correctly will last a lifetime.*

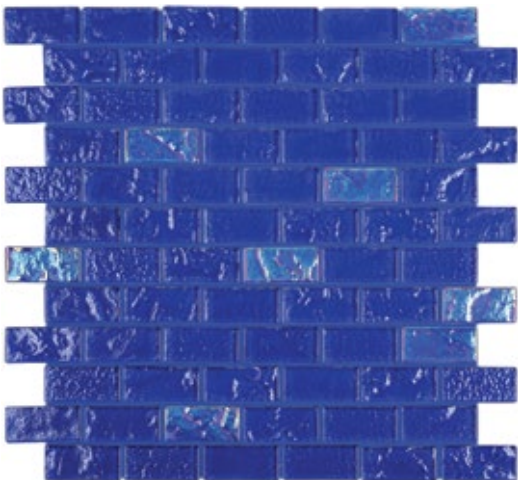

SEA SPA →

*Spas & baths often take somber color palettes too far. We suggest punching up your palette with the spunky style of Secos. A blue that is meant to be a focal point.*

## SECOS

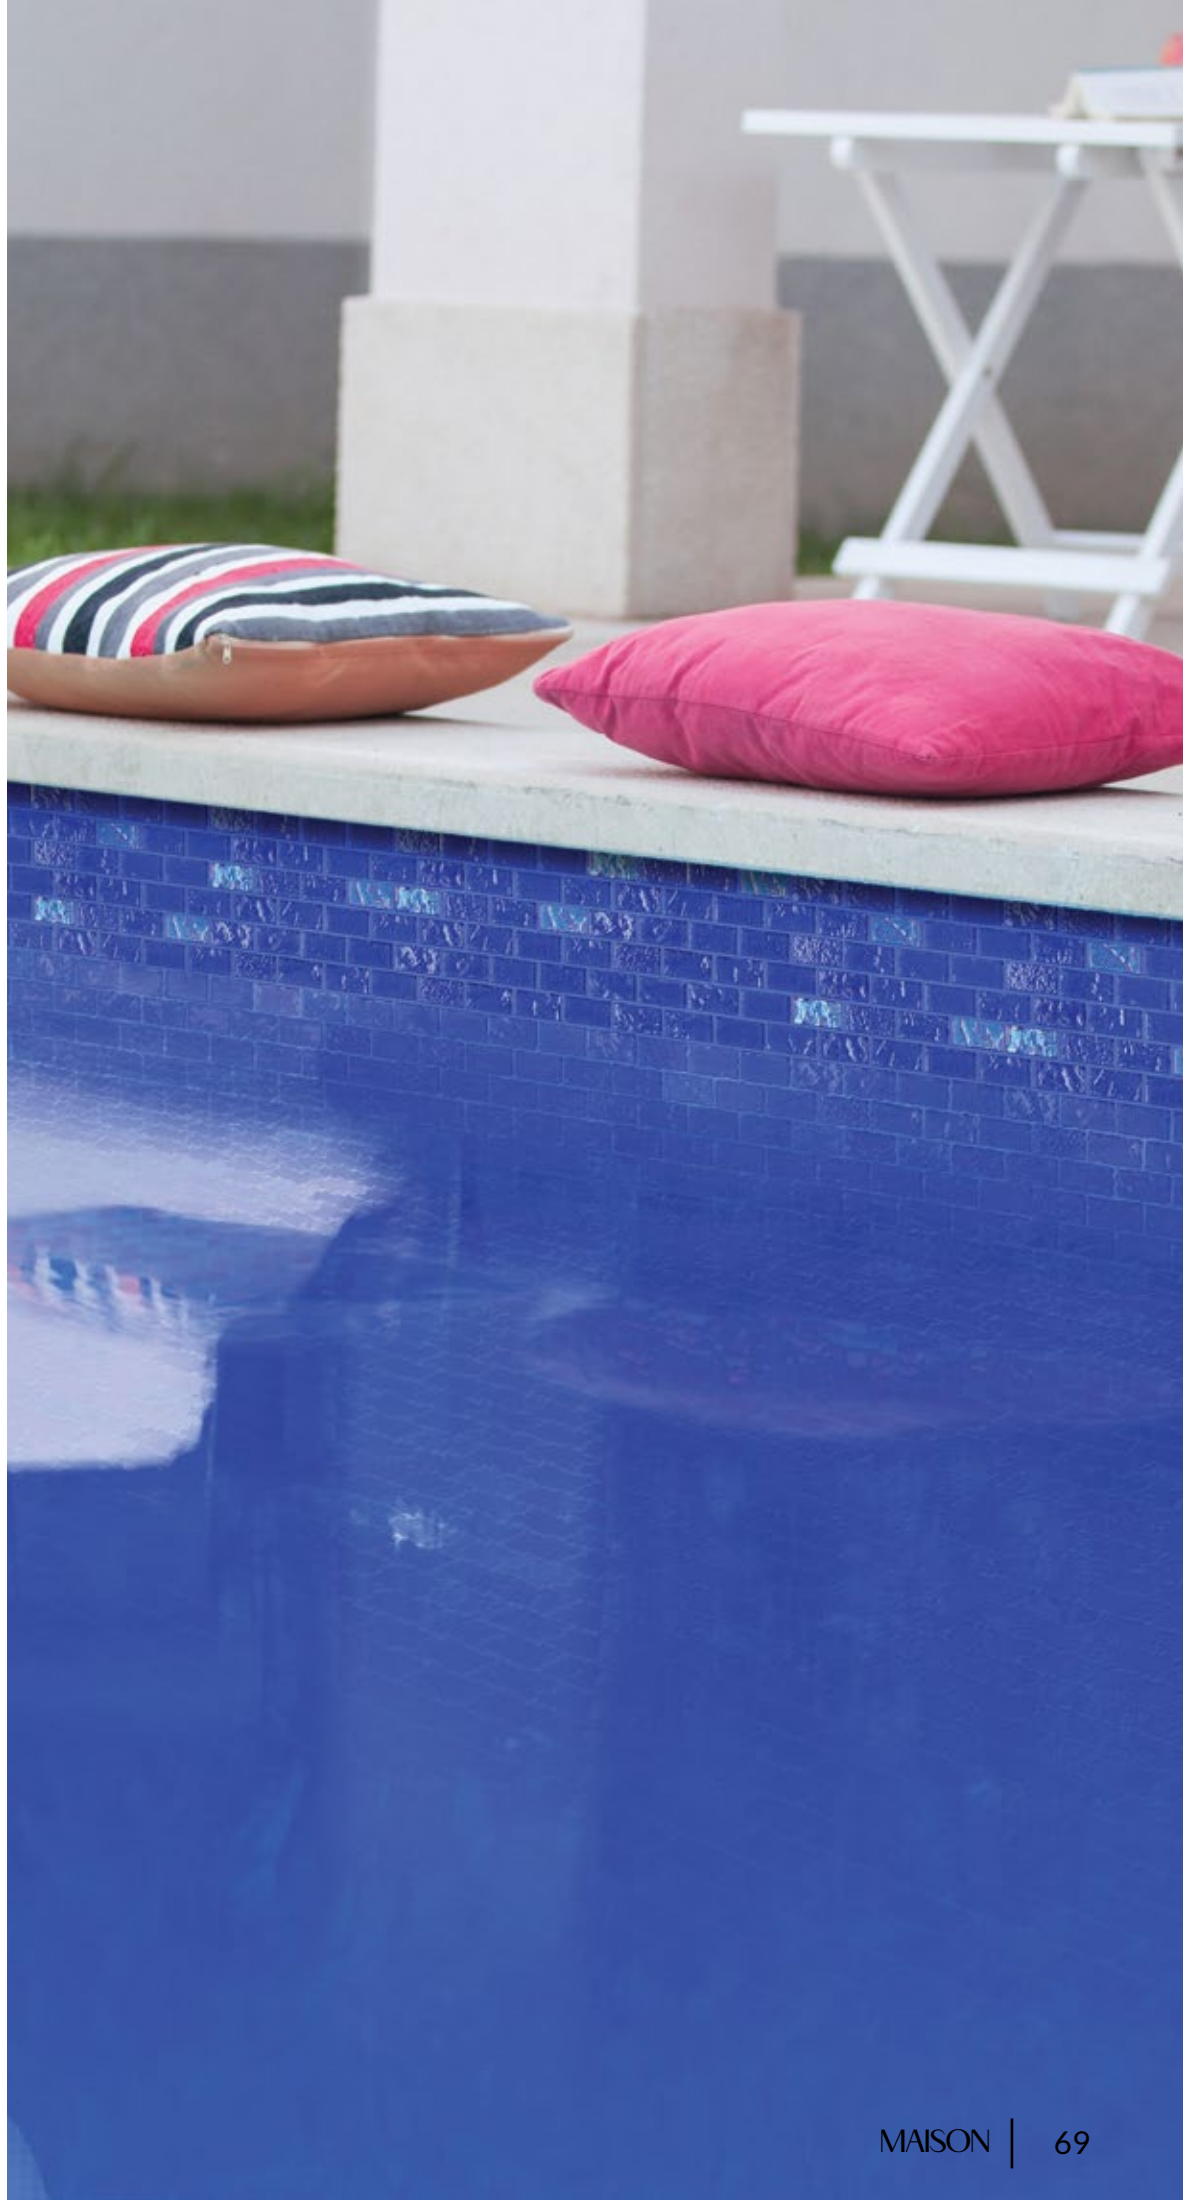

Unit: 11 3/4" x 11 3/4"  
Unit Yield: 0.96 sqft  
Piece size: 1" x 2"  
Grout color: Secos

### BEACHED BLUE

*Make yourself feel like you at a surf resort all year round by adding Secos to your splash.*

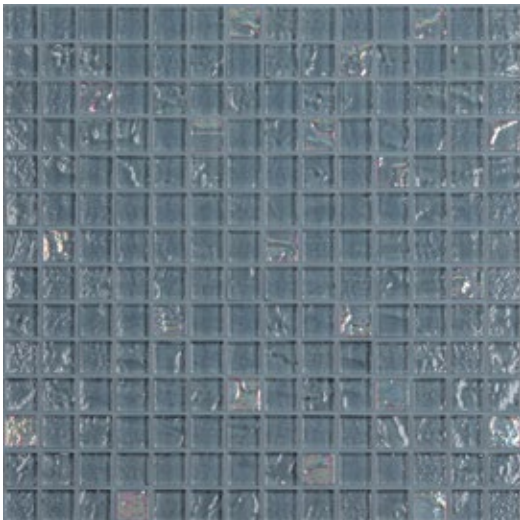

GLASS GLOW →

*Not only is glass tile non-permeable, frost-proof, has a long lifespan, and is relatively low-maintenance, but it also beautifully reflects the water for a gorgeous swimming pool setting you'll love to show off.*

## TIDEPOL

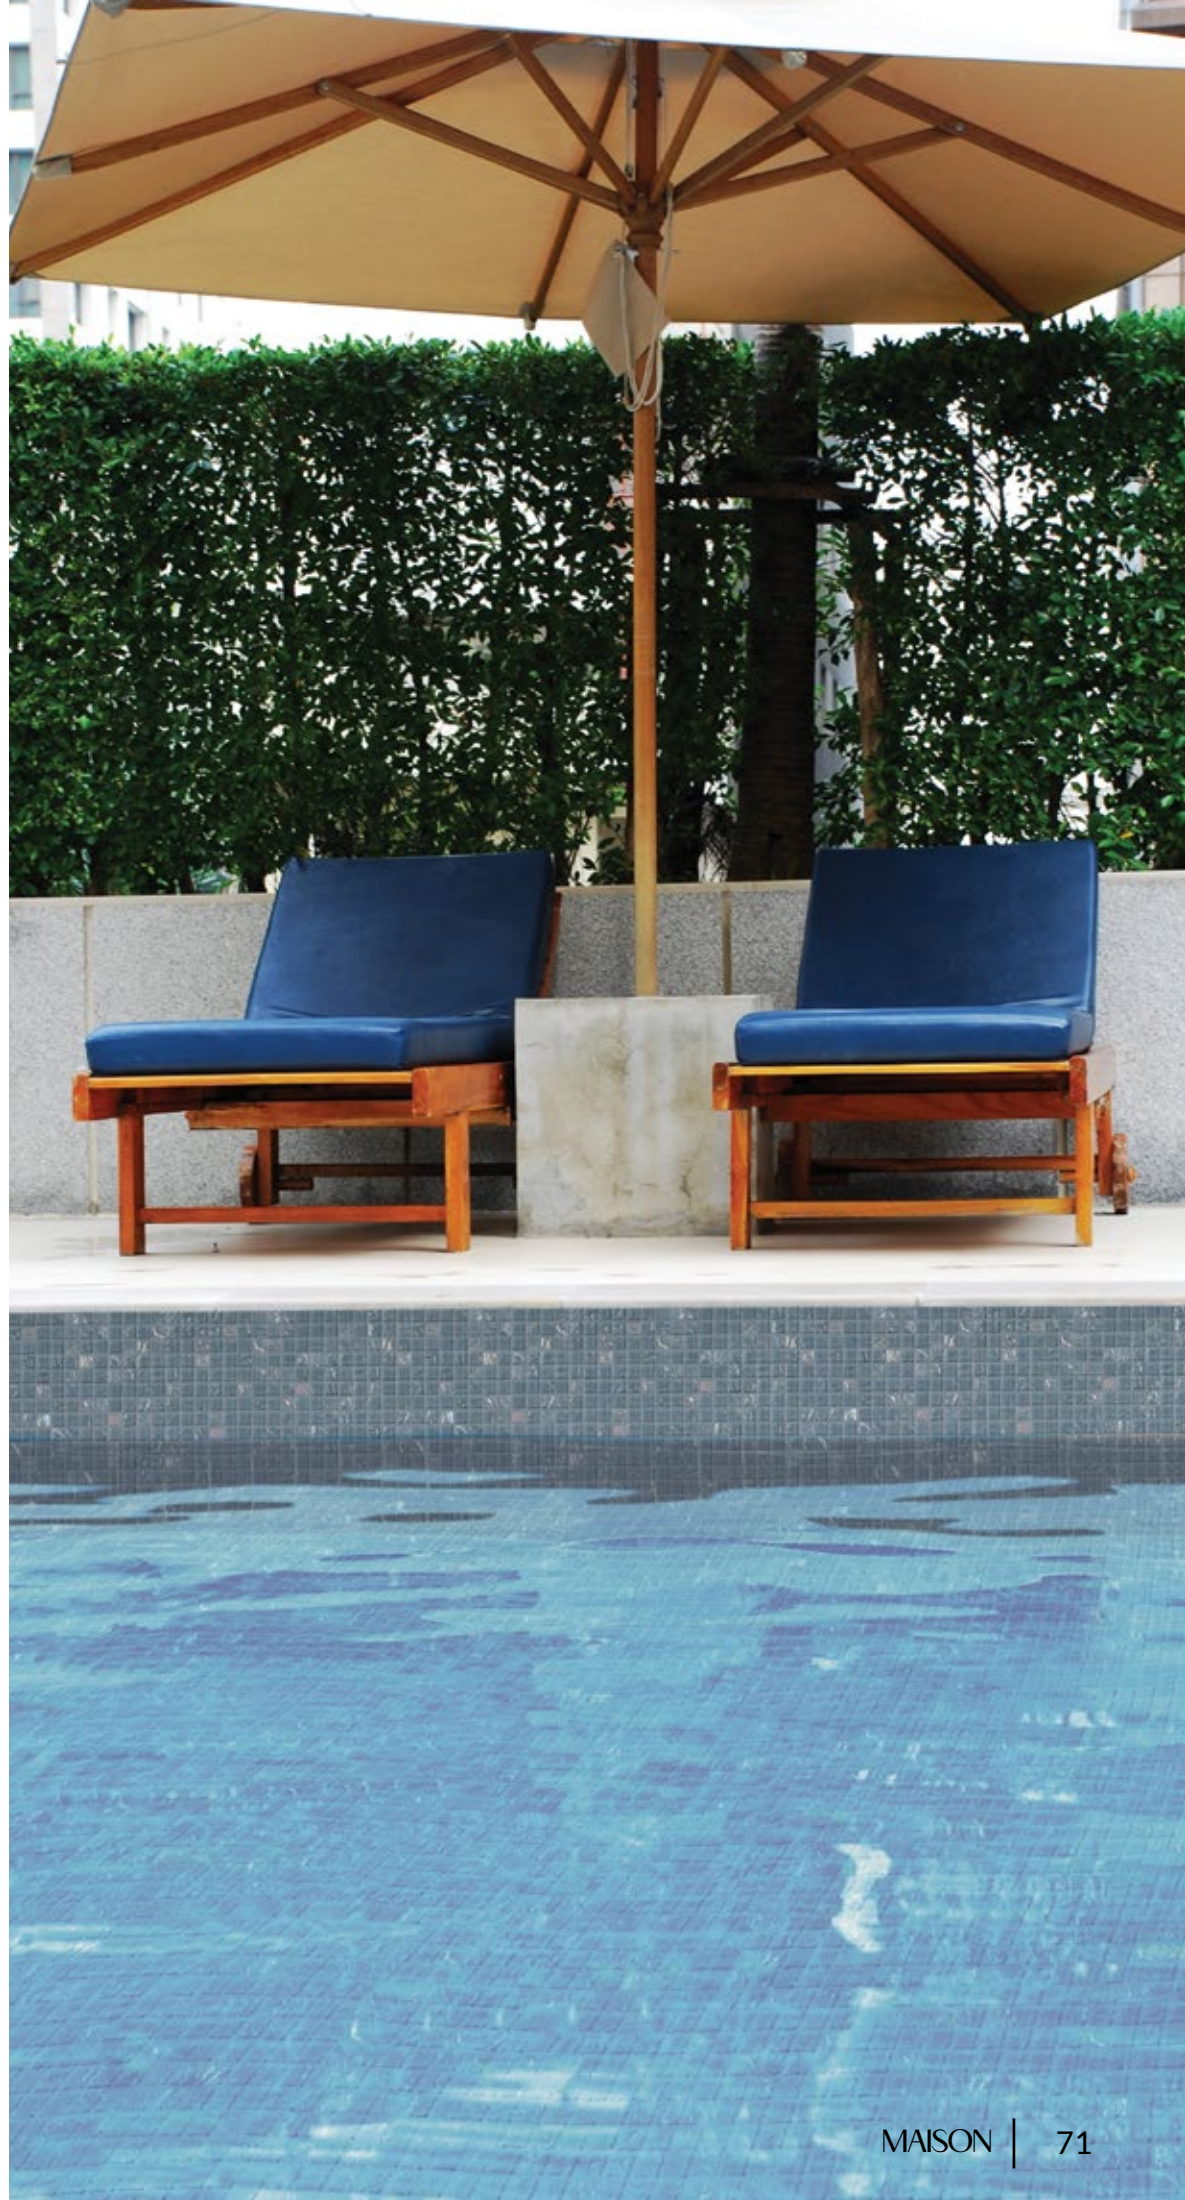

Unit: 12 3/4" x 12 3/4"  
 Unit Yield: 1.15 sqft  
 Piece size: 3/4"  
 Grout color: Tidepool

### TIDE-E-SPACE

*Mini bars are a place to add impact without overworking the design. Tidepool is the perfect tile for high style low fuss.*

SHADY SHOW →

*There's no doubt blue is a classic pool tile color, with so many hues. But let's swim in the shady end of the range. Tidepool is a blue-grey base that can be as soothing on the eye as sitting under your favorite shade tree.*

## TIDEPool

Unit: 11 3/4" x 11 3/4"  
 Unit Yield: 0.96 sqft  
 Piece size: 1" x 2"  
 Grout color: Tidepool

### TOP TEIR

*A raised design can be a good way to separate a Jacuzzi & swimming pool. But don't forget to wrap that tier in tile.*

BLUE BRASS →

*Blue with brass hardware is appearing everywhere in interior design. From kitchen cabinets and bathroom faucets. This style is even being put to use in public spaces like restaurants. A trend that steers away from cool metal compliments to create a more high-end feel.*
