TINEKE TRIGGS

Inspired by designers who broke away from the pack, Tineke is known for creating soulful, artistic, and imaginative interiors. By mastering both the art and science of design, her work gives rise to a unique form of design mixology. Her elevated interiors not only provoke the senses but deliver on the details that create truly memorable spaces.

A veteran of seven San Francisco Decorator Showcases, her award-winning work has been featured in numerous publications including Architectural Digest, Elle Decor, Veranda, Dwell, Luxe, California Home & Design, Modern Luxury Interiors, California Homes, and Sunset Magazine. Tineke's first book, Design Mixology: The Interiors of Tineke Triggs, was released in October 2023.

When not designing, Tineke enjoys working on her tennis game, kick-boxing, spending family time on the beach, and traveling down the coast with her vintage 1973 Airstream in tow. Tineke lives in San Francisco with her husband, Will, and their two sons.
